

**Do you need an external view  
to get your project back on  
track?**

**Your project is in an advanced stage, but problems are popping up everywhere?**

**A view from the outside can help you understand the causes and regain control over the project.**

- 1. Define Scope & Document Analysis**
- 2. Stakeholder Discussion**
- 3. Developing process strategy**
- 4. Priority Plan**

- Proven in-house ASPICE know-how
- Many years of Project Management experience
- Getting the emotions out of your project and bringing in an independent fresh perspective
